

ATTENTION CABLE TELEPHONE USERS

Emergency 911 contact using Optimum or other cable telephone service

Dialing 911 from a cable phone service such as Optimum may not get you to Dutchess County Emergency Services, as the system was not designed to work with cable telephone service.

To be assured of contact with Dutchess County 911 from cable phone service please dial **(845) 471-1414**. This number will get you directly to Dutchess County dispatch.
